

## NAVY BEEF AND PORK FOR 1842.

Navy's Office, June 15, 1841.  
SEALED OFFERS, endorsed "Offers for Beef," or "Offers for Pork," as the case may be, will be received at this office until 3 o'clock P. M. of the 20th July next, for furnishing and delivering, free of all cost and charge to the United States—

3 000 barrels of Navy Beef, and 3 600 barrels of Navy Pork; each barrel to contain two hundred pounds, net weight, of Beef or Pork. To be delivered as follows, viz:  
1,200 barrels of the Beef at the Navy Yard, Charlestown, Massachusetts.  
800 do do Brooklyn, N. Y.  
1,000 do do Gosport, Virginia.  
1,600 do do Portsmouth, Mass.  
1,000 do do Brooklyn, N. Y.  
1,000 do do Gosport, Virginia.

All the said Beef and Pork to be delivered between the 5th day of April and the 15th day of June 1842 unless earlier deliveries should be authorized by the Navy Commissioners.  
The Beef must be packed from well-fattened cattle, weighing not less than five hundred pounds net weight each. The legs and hind quarters of the hind-quarters, and the shins and shoulder clods, and at least eight pounds from the neck end of each fore-quarter or the parts marked Nos. 1, 2, and 3, on the drawing or delineation of the fore and hind-quarter of an Ox, which will be attached to and form a part of the contract, must be wholly excluded from each barrel, and the remainder of the carcass must be cut in pieces of not less than eight pounds each.

The Pork must be packed from corn-fed well-fattened hogs, weighing not less than two hundred pounds each, excluding the heads, joles, necks, shoulders, hams, legs, feet, and lard, and all refused pieces; and must be cut in pieces weighing not less than six pounds each.

Both the Beef and Pork must be slaughtered between the first of November next and the period of delivery, and must be salted with at least one bushel of coarse Turk's Island, Isle of Jeany, or St. Ubes salt, and with five ounces of pure pulverized saltpeter, to each barrel, exclusive of a pickle, to be made from fresh water as strong as salt can make it.

The barrels to be made of the best seasoned white oak or white ash staves and headings. If of the former, to be not less than three-fourths of an inch thick; if of the latter, to be not less than one inch thick, and to be hooped at least three-fourths over with the best white oak or hickory hoops, except the cross hoop, which must be of iron, at least one inch wide, and not less than the denomination No. 17. All at the expense of the respective contractors.

Each barrel must be branded on its head, "Navy Beef," or "Navy Pork," as the case may be, with the contractor's name, and the year when packed.

The Beef and the Pork will be inspected by the Inspecting Officers at the respective Navy Yards aforesaid, and by some sworn Inspectors of salt provisions, who will be selected by the respective Commanding Officers; but their charges for such inspection must be paid by the respective contractors, who must likewise have the barrels put in good shipping order, to the satisfaction of the Commandants of the respective Navy Yards aforesaid after the inspections, and at their own expense.

Bidders must specify their prices separately and distinctly, in separate offers for the Beef and for the Pork, and for each of the places of delivery, covering all expenses and all charges.

Letters from persons binding themselves to become sureties, if the offers are accepted, and other letters from some Navy Agent, Commandant at the Navy Yard, or other person well known to the Department, must accompany the offers of each person, and state the belief of the writer that the person offering to contract is practically acquainted, by experience, with the best mode of curing and packing Beef and Pork, and has the ability to perform his contract in a satisfactory manner, and that his sureties have also the ability, in case of failure on the part of the contractor, to pay the amount of their bonds.

The Board of Navy Commissioners reserve to themselves the right to reject all offers from persons who have heretofore failed to fulfill their contracts, or who do not forward satisfactory letters, showing their ability, and the ability of their sureties, to complete the contracts.

Bonds in one-third the amount of the respective contracts will be required; and ten per centum, in addition will be withheld from the amount of each payment to be made, collateral security for the due and faithful performance of their respective contracts; which will on no account be paid until the contracts are completed with in all respects; and is to be forfeited to the use and benefit of the United States in the event of failures to complete the deliveries within the prescribed periods. And in case of failure on the part of the contractors to deliver the aforesaid beef and pork within the time specified, the Navy Commissioners to have the right to direct purchases to be made to supply the deficiencies, and any excess of cost to be charged to and paid by the contractors. Payments will be made by the United States (excepting the ten per centum, to be withheld until the completion of the contracts as before stated) within thirty days after the said beef and pork shall have been inspected and received, and bills for the same shall be presented to the Navy Agents respectively, duly approved by the Commandants of the respective Navy Yards according to the terms of the contracts.

The parts of the Beef to be excluded from the barrels will be particularly designated in the engravings to be attached to the contracts; persons interested can obtain them on application at this office.

Health and Strength!  
DR. S. O. RICHARDSON'S SHERRY WINE BITTERS.

ARE the only sure remedy for Dyspepsia and Jaundice that has ever been discovered—and their general use for 32 years, with recommendations from the most eminent of the Medical Faculty, and editorial notices from the Boston Morning Post, Boston Daily Mail, Plymouth Memorial, Amoskeag Representative, Barnstable Patriot, Essex Banner, Haverhill Gazette, Lowell Patriot, Bunker Hill Aurora, Charlestown, Portsmouth Gazette, N. H. Northern Star, N. Island, Lincoln Telegraph, Me. New York Evening Signal, &c. must assure the afflicted that they possess wonderful merit.

THEY GIVE LIFE, ELASTICITY and VIGOR to the viscera, promote the peristaltic action, cleanse the stomach and bowels from unhealthy accumulations, and purify and enliven the blood in the most thorough and effectual manner. They are the most certain remedy for all those prevalent Diseases called dyspepsia jaundice, liver complaints, heartburn, dizziness, headache, wandering or settled pains, sinking faintness, sour stomach, loss of appetite, weakness of the limbs, nervous debility, costiveness, piles, and all diseases caused by an unhealthy state of the stomach and bowels.

They are the unrivaled and efficacious compound of a

REGULAR PHYSICIAN—  
and Graduate of the

Being composed entirely of vegetables, they are of such a nature that they may be taken any length of time by invalids of any age, without injuring the system or exposing it to take cold.

BEWARE OF PEDDLERS!!  
The genuine article cannot be obtained on them on any pretence whatever.

NEVER EMPLOY THEM,  
Nor allow them to sell my Medicines.  
All Bitters, put up in phials and small round bottles, purporting to be mine.

BE CAREFUL OF WHOM YOU PURCHASE!  
In consequence of these attempts at imposition, I have been at great expense in having new directions and wrappers, and in future the Bitters in papers will be done up in a different style. See that the envelope has on it my name in full, "Entered according to an act of Congress, in the year 1840, by S. O. Richardson, M. D., in the Clerk's Office of the District Court of Massachusetts;" and on the other side, "Established in 1808, at South Reading, County of Middlesex, Massachusetts." The border around the inside directions, (which are printed on white tissue paper) is so curiously engraved that the words "Dr. S. O. Richardson's Sherry Wine Bitters" present themselves in a thousand different forms. As a copy right has been granted me,

All infringements will be severely dealt with according to law. The bottles are nearly ready to be issued, in the same style.

All Bitters prepared by me have a fac-simile of my signature on the outer envelope.

To counterfeit which is Forgery.

Liver Complaints,  
AND ALL SICKNESS AND DISEASE  
DR. LIN'S  
TEMPERANCE LIFE-BITTERS  
AND  
CHINESE BLOOD-PILLS.

The greatest Secret discovered!  
Purge—purge—purge—has been the cry for the last few years. This has been effectually tried, and yet sufferers have multiplied—and died; and why? Not because purging was not necessary, but too much had been done—without the tonic to follow, and sustain the system. Purge, you must! The sickly humors of the blood must be carried off—or the accumulation of them prevented. Prevent them the growth of such humors.

Why do the Chinese live to such immense ages and still retain the powers of youth or middle age—Because they purify the blood. THE CHINESE BLOOD PILLS—so called because they work upon and cleanse the Blood—are the standard remedy. These pills will do it; and the Temperance Bitters, taken as directed, will strengthen the system and prevent the accumulation of base humors which infect the blood, and which only increases by purges, unless the bitters are taken after. Buy, then, these pills and bitters. Take weekly these pills, and daily the bitters, and if you are or have been invalids for days, weeks, months, or years, you will find the sickly humor drawn off, and prevented from a return, and the full blooming hue of health and youthful buoyancy.

There are cases so numerous of these brilliant effects, that time and space forbid an attempt to put them down. Buy and use these medicines, and use no other, and health and strength shall be yours. See wrapper and directions that come with them.

FRAUDULENT COUNTERFEITS  
Will be attempted. Buy no remedy of the kind unless it have my name—O. C. LIN, M. D.—on the wrapper, and also the notice as follows:

"Entered according to Act of Congress, A. D. 1841, by Thos. Comstock, in the Clerk's Office of the District Court of the United States for the Southern District of New York."

Some Swindlers have counterfeited this article and put it up with various devices. Do not be imposed upon. One thing only will protect you—it is the name of COMSTOCK & CO.; that name must be always on the wrapper, or you are cheated. Do not forget it. HEADACHE  
CERT IN CURE FOR SICK HEADACHE,

which has been used in families, every member of which has had sick headache from infancy, as a constitutional family complaint, and has cured effectually in every instance yet known, amounting to many hundreds. It is not unpleasant to the taste, and does not prevent the daily avocations of one using it; it must be persevered in, and the cure is gradual, but certain and permanent. Instances are constantly multiplying where this distressing complaint is completely relieved and cured, although of years standing by the use of Dr. Spohn's celebrated remedy. One decided preference is its pleasantness, having none of the nauseating effect of common drugs.

It is so perfectly satisfactory that the proprietor has given direction for his agents to refund the price to any one who is not pleased with, and cured by it. He hopes also that this may secure its great benefit to the distressed sufferers who are labouring under Headache.

From the New York Herald.  
MYSTERIOUS.

A gentleman belonging to one of the most ancient and wealthy families of this city, who must be well known to numerous friends, having since the year 1818 up to the present time been nearly double, and for several years confined to his bed, has been restored to good health—has regained his natural erect position—and has quitted his carriage, and now walks with ease!! We believe this is the gentleman's own description as near as possible, and there is no exaggeration in it. We will give inquirers his address, and doubt not his humane feelings will excuse the liberty; so that any one doubting, may know these facts, though he requires his name may not appear in print. Among other similar instances, Mr. Jas. G. Reynolds 144 Christie St. has been restored and will give personal assurance of the facts of his case. Both were rheumatic, and contracted cords and sinews. How has this been done?

ANSWER.—By the INDIAN VEGETABLE ELIXIR internally, and HEWES' NERVE AND BONE LINIMENT externally.—N. Y. Herald Jan. 26 1841. Sold only by COMSTOCK & CO.,

HUMAN HAIR.  
CLEANLINESS OF THE HEAD AND HAIR.

Strange it is that persons who attend strictly to personal cleanliness, bath, &c. should neglect the Head—the Hair the most essential—the most exposed—and the most beautiful, though properly cared for, of all the gifts of the Creator. Perfectly free may the head of a man be, and yet the hair beneath it be the seat of disease and decay, and the hair cannot fall out, by the use of the Balm of Columbia. Ladies will make your toilet without this article? I answer fearlessly, No, if you have once tried and experienced its purifying effects—it, sweet perfume.

A hundred articles have been put forth on the credit of this Balm, and no really valuable article. A mass of testimony from all classes to these facts.

LOOK OUT!  
Counterfeits are abroad look a way for the name of COMSTOCK & CO., on the splendid wrappers and never buy it without that name.

READ THE FOLLOWING.  
ROBERT WARTON, Esq., Mayor of Philadelphia, has certified, as may be seen below to the high character of the following gentlemen.

The undersigned do hereby certify that we have used the Balm of Columbia discovered by J. Oldridge and have found it highly serviceable not only as a preventive of the falling off of hair, but also as a certain restorative.

THE Lion of the Day.  
THE OLD DUTCH OR GERMAN VEGETABLE PILLS.

For sale by S. Moody, Middlebury, Vt. To the Citizens of the United States and the Canada is respectfully submitted this Directory to the means for regaining that which has been partially, and in some instances, totally lost.

What blessing should be prized above that of health, and who knows better how to prize the blessing, than those who have been deprived of it? It is an old adage, (and one that contains a wise injunction), "in time of peace, prepare for war." We should in time of health prepare for the attacks of that stealthy lurking foe, Disease. It would be wisdom to observe his movements, to scan well the form in which he approaches, and then to meet him with those means which are calculated to effect his overthrow.

Those means are now before this enlightened and intelligent community. They are accessible to the poor as well as the rich, and I trust that those who regard the Constitution of man as one of the finest specimens of Divine workmanship, and the Laws by which that System is governed and directed, as originating in no other than in the councils of Heaven, will so far obey the injunctions of the latter as to provide the best safeguard for the former.

It is with the most flattering recommendations, subscribed by most eminent Medical Gentlemen not only in this Country but also in Europe: that I offer this valuable Medicine to this American People.

Time and full opportunity for a fair and impartial trial have placed the Lion of the Day before the eyes of the people. It is composed of extracts from nine parts of the vegetable kingdom, (being entirely free from any drug of a deleterious nature,) and adapted particularly to the cleansing of the Stomach, Blood, and the various secretions of the Human System.

Billious Fevers, and Cholera, Fever and Ague, Jaundice, Scarlet Rash, Dyspepsia, Heartburn, Costiveness, Asthma, and Liver Complaint have been cured, by using these Pills accordingly to the directions accompanying each box.

It is not intended that this Medicine is a cure for all Disease to which the human system is liable. Many efforts have been made to compound a Medicine which would cure all Diseases, but have failed. Those Diseases enumerated above, are within the power of these Pills and a sure cure or relief is warranted.
